CABINETWERKS DESIGN STUDIO

For Orren Pickell Designers & Builders, 2010 marks the 35th year of providing clients with outstanding service, quality and value for all of their new construction or remodeling needs in Illinois, Michigan and Wisconsin. From initial design concepts through construction and installation, their talented and dedicated team of professionals works with homeowners to achieve the perfect design for their homes and lifestyles. A critical component of any successful design is the cabinetry, and the award-winning designers at CabinetWerks Design Studio are committed to each of their new home or remodeling customers. Together they create the space that offers each family the maximum comfort, beauty and functionality that they expect from Orren Pickell Designers & Builders.
